My name is Md. Rufiad Rahi Arnob. I am 20 years old. I am a student. Right in Computer Science and Engineering from University of Asia Pacific. I like sin books, watching horror movies, playing outdoor games, watching football etc time with my family. As far as my skills and strengths are concerned, I am a g communicator and a footballer. I am also a hard working individual who would like to do things with perfection. If I would talk about my nature then I would say that I am honest and straightforward man. I am a very friendly person. I love making new friends. I live a very simple life keeping God as my priority in all aspects of my life.
